Denison Community School Registration Information

Denison CSD is requiring an online registration process through PowerSchool, the District's student information system. **You will need to register your child and/or children from home starting August 3rd. The last day for you to register your child and/or children for school will be August 14th. You will need to register your child whether you are selecting "onsite" or "online" instruction. You still need to do this process.** School will start August 24th. Please log on to www.denison.k12.ia.us and click on Parent/Student Resources. Log on to PowerSchool and complete the E-Registration button for each of your children.

If you need assistance with username and/or password, please contact your child's school for assistance.

If you wish to fill out a Free/Reduced Lunch application, you will need to complete the enclosed application form and drop it off at one of the school buildings by Monday, August 10th. There are dropbox locations at all buildings outside each of the main entrances. Only one application per family is needed. **To qualify for free/reduced registration fees, you must complete the waiver form in addition to the lunch application. This too, needs to be dropped off with your lunch application in the school dropbox.** Your application will be reviewed, and you will be notified of your child's lunch status in the mail.
